The Dr. Morris K. Perinchief Art History Scholarship

Dr. Morris Perinchief, fondly called Mo by many friends, was legendary at Kutztown University (KU) for conveying the relevance of art history to life, often through humor. His dedication to KU and especially to his students has inspired the University to create a scholarship in his memory. This scholarship fund continues Mo's remarkable legacy by supporting a student majoring in Art History. How delighted Mo would be to know that after many years, KU now offers a BA in his discipline! The Art and Art History Department, along with several donors, plan to match up to \$10,000 for new gifts to the fund in the beloved professor's memory. To learn more about this opportunity, please visit [our website](#).
